CTG NATIONAL

Cohesive Technology Group

A trusted advisor specializing in smart, secure, scalable solutions

CTG National, a Cohesive Technology Group company, provides enterprise organizations with best-in-class information technology by combining engineering excellence and second-to-none service. Our experienced team of sales and engineering professionals design and deliver IT hardware and software solutions that save time and money for our clients—helping them transform, advance, and scale. Headquartered in Virginia, we have dedicated resources in all regions across the continental United States.

Capabilities

Equipping businesses nationwide to operate with velocity and scale.

Modern Infrastructure

Data center solutions for a more centralized, efficient IT environment; improved user experience; and streamlined management and maintenance.

HPC & AI/ML + GenAI

Computer networking and infrastructure solutions to leverage the power of artificial intelligence and machine learning while protecting proprietary data and intellectual property.

Cybersecurity

Cybersecurity architecture and processes that help identify risk, optimize resources, and create integrated solutions that mitigate risk.

Networking

Virtualized, resilient, smart, powerful, and secure network solutions for the backbone of your business operations and service-delivery.

Hybrid Cloud

Expertise and solutions to determine the best model to meet your needs, leverage and optimize investments, and avoid cloud deployment blind spots.

Unified Communications & Contact Center

Next-generation employee and client experiences leveraging collaboration, omni-channel, AI, and the cloud.

Partners

Our partners depend on us for their integration and co-existence in our client's IT environments. We work with dozens of leading OEM's, while carefully evaluating emerging technology providers. As their trusted advisors, with visibility and influence into their solutions and processes and a high-volume sales history, we're able to bring to our clients the insights, advocacy, and price advantages that improve solutions, save money, and position you for the future.

Clients

Trusted in the mission, strategy, and defense of our nation's most critical IT assets.

"We have relied heavily on the expertise, knowledge and professionalism of CTG. They have been more than willing to support us in large and small efforts, extremely tight deadlines and off-the-wall requests. They have been an integral part of our success this year, and we could not have done it without them."

-US Federal Missile and Space Program Client

Our Pillars:

- **Culture:** Large enough to serve you, small enough to know you.

- **Experience:** Proven time and again in providing mission critical IT solutions to the nation's largest and most complex organizations.

- **Expertise:** Elevating our clients' experience with technology through unrivaled engineering.

- **Optimization:** Saving clients time and money through simplified and streamlined architectural design, acquisition, and implementation.
